选择 Register for a Red Hat account 注册一个Red Hat帐户；

The image shows the Red Hat login and registration interface. On the left, a white card contains the title "Log in to your Red Hat account". Below it is a text input field labeled "Red Hat login or email". A red "Next" button is positioned below the input field. A horizontal line with "OR" in the center separates the login options from the social login options. There are three buttons for social login: "Log in with Google", "Log in with Microsoft", and "Log in with GitHub". At the bottom of the card, there is a blue link "Register for a Red Hat account →" and a smaller blue link "Forgot your password?". On the right, the Red Hat logo is displayed above a paragraph of text explaining the benefits of having an account. The background is dark with a large, stylized Red Hat logo.
